Finance > Inquiry > General Ledger Inquiry

Run an inquiry to verify that **Fund Total (YTD)**, **Fund Total (Current)**, and **Fund Total (Next)** amounts are zero.

The screenshot shows the 'GENERAL LEDGER INQUIRY' interface. At the top, there are navigation tabs: 'GENERAL LEDGER INQUIRY', 'GENERAL LEDGER ACCOUNT SUMMARY', 'EMPLOYEE DISTRIBUTION LIST INQUIRY', and 'OVER EXPENDED ACCOUNT SUMMARY'. Below the tabs, there are several filter options: Processed, Current Period: 08, Next Period: 08, Exclude Objects 61XX, and Include Inactive Accounts. A 'Description' section has Totals and Balance Accts Only. A 'Show Details' checkbox is unselected. Below these are account code fields: Fund (XXX), Func (XX), Obj (XXXX), Sobj (XX), Org (XXX), and Prog (X, XX, X, XX). 'Retrieve' and 'Reset' buttons are present. The main table displays data for funds 6000, 7000, and 8000. A summary box at the bottom right shows 'Fund Total (YTD): -0.00', 'Fund Total (Current): 0.00', and 'Fund Total (Next): 0.00'.
