## (If necessary) Mass update employee experience

[Personnel > Utilities > Mass Update > Employee](#)

If necessary, increment the years of total professional and non-professional experience, and the years of district professional and non-professional experience for employees with July contracts.

Additionally, you can use this page to increment the prior years of teaching experience for those individuals in a teaching role. The **Prior Teaching Experience** is the total number of years that an individual has previously held a teaching position in one or more education institutions and is collected during the PEIMS Core Collection: Class Roster.

- This process must be completed prior to the PEIMS fall submission.
- The **Prof Experience Yrs** and **Non-Prof Experience Yrs** should be incremented in separate instances.
