The screenshot shows a software interface for managing accrual calendars and pay dates. At the top, there is a navigation bar with a home icon, the text 'Tables > Accrual Calendars', and a 'Payroll' dropdown menu. Below the navigation bar is a 'Save' button. The main content area is titled 'ACCRUAL CALENDAR' and contains two sub-sections. The left sub-section is a table with columns 'Delete', 'Details', 'Accrual Code', and 'Total Days Worked'. It lists two entries: 'A' with 187.0 days and 'B' with 207.0 days. The right sub-section is a table with columns 'Delete', 'Pay Date', and 'Days Worked'. It lists ten entries with dates from 09-25-2025 to 08-25-2026 and corresponding 'Days Worked' values ranging from 41.00 to 0.00. Both tables have an 'Add' button at the bottom right. The interface is styled with a light green header and a light gray background.
