**Log on to the current year payroll frequency.**

[Personnel > Tables > Salaries > Fund to Grant](#)

Verify that all federal grant funds (200-300) have a two-digit TRS grant code. If you use child nutrition worksheets during the TRS RP20 extract, then 240 and 242 should not have fund to grant codes.

The screenshot shows a web application interface for 'Personnel' with a sub-section for 'Tables > Salaries'. The 'Fund to Grant' tab is selected. There are navigation buttons for 'Save', 'Retrieve', and 'Print'. A 'Records' section has a dropdown menu set to 'All'. The main table displays the following data:

Fund	Fund Description	TRS Grant Cd
163	PAYROLL CLEARING FUND	
199	GENERAL FUND	
205	HEAD START	35
211	TITLE I, PART-A, IMPROVING BAS	31
212	TITLE I, PART-C MIGRANT	37
224	IDEA-B, FORMULA	52
225	IDEA-B, PRE-SCHOOL	53
240	FOOD SERVICE	26
242	FOOD SERVICE	
244	CARL PERKINS VOC. GRANT	36
255	TITLE II, PART A	38
266	ESSER GRANT	
277	CRF	
281	ESSER II	
282	ESSER III	

At the bottom of the table, there are navigation controls: 'First', '<', '1 / 2', '>', and 'Last'.

This generates salaries for the TRS 3 and TRS 489 reports.

In order for a fund to be displayed on this page, the fund must exist in an account code on the Finance Chart of Accounts. Codes are LEA specific.
