Update employee master leave record balances.

☐ In the current year payroll frequency, generate the [Payroll > Reports > Leave Information Reports > HRS7350 - Leave Status Report](#) for active employees and exclude substitutes. Print and/or save this report and review it for accuracy.

☐ Use the **Payroll > Utilities > Mass Update > Leave** tab to update employee master leave record balances. This is a three-step process.

Leave type codes are LEA-specific.

1a. This step clears the **Leave Used** and **Leave Earned** fields and rolls the ending balances to the following year beginning balances:
