Review the process report to verify that all applicable calendars, extra duty pay, and job codes were copied to the current year payroll frequency. **It is recommended** that you log on to **Personnel > Tables > Workday Calendars** to verify this information. If the calendars were not copied over correctly, you may have to individually copy the calendars.

**Note:** When copying the school calendar table from next year to the current year, the calendar code, description, and days are copied. If a calendar code exists in the next year and current year, the next year data replaces the entire calendar contents for the current year for the specified calendar code.
