If changes were made to employee deductions or you did not move deductions for 11- and 12-month employees, you can copy those deductions at this time.

All insurance selections and rate changes can be made in the current year.

Under **Pay Status**, select **Active**.

Under **Options**, select **Only process employee deductions**.

Select **Preview Changes**.

Use one or more of the following options to select specific employees:

- In the **Contract Months** field, type 11 or 12.
- Select a **Contract Begin Date**. The contract begin date is LEA specific.
- Select an **Extract ID**.

Click **Execute**. A preview report is displayed. Review the employee list and click **Process**. A message is displayed indicating that the process was successful.
