

Verify/update Unemployment rates

Table of Contents

Verify/update Unemployment rates i

Verify Unemployment rates

Log on to the current year pay frequency.

[Payroll](#) > [Tables](#) > [Tax/Deductions](#) > [Unemployment](#)

Verify that you are in the correct calendar year. If not, in the **Calendar Year** field, enter 2024 and click **Retrieve**.

Note: Unemployment rates are based on the calendar year and not the fiscal year.

Verify the accuracy of the rates.

Make the necessary updates and click **Save**.
