Human Resources > Tables > Workday Calendars > School Calendar

All positions must be tied to a school calendar code. Existing school calendar codes can be used. If there are positions that do not follow the existing calendar codes, you can add new calendar codes. Calendar codes can be alpha or numeric.

It is important that the begin and end dates match the calendar. For example, when entering the begin and end dates, many LEAs use 7/1-6/30 for 12-month employees. If 7/1 and/or 6/30 fall on a weekend and your calendar has a begin date of 7/2, then the employee's begin date should be 7/2.
