If the user is logged on to the next year payroll files, the account code validation occurs against the Budget tables.</p>
<b>Salary Concept</b>	Click  to select the salary table to use. There are three separate salary concepts that are used to compute the employee's salary.
<b>Increase Pay Step</b>	Select to allow a job to be incremented through the mass update utility. By default, the Increase Pay Step field is selected.
<b>FSP Salary Class Code</b>	Click  to select the salary class to use. There are five separate FSP salary class codes: A - Administrator, C - Counselor, L - Librarian, N - Registered nurse, and T - Class teacher. This field is used for the FSP Staff Salary Report (HRS4450), which is a listing of all employees with a job title recognized in the Foundation School Program. Since the number of specific employees receiving a pay increase must be reported each month, the TEA mandated the FSP Staff Salary Report through 2005 legislative action. The report includes the \$2,500 pay increase and full and part-time employees who were receiving \$500.00 or \$250.00, respectively.
<b>Accrual Code</b>	Type the one-alpha character accrual code (e.g., A-Z) to which the job code is assigned, or click  to select an accrual code from the Accru Codes list.
<b>Workers' Comp Code</b>	Click  to select a specific workers' compensation code.
<b>FTE Hrs</b>	Type the number of weekly full-time equivalent (FTE) hours for the job code.
<b>No FTE</b>	Select to indicate that the job has no full-time equivalent (FTE) hours to report for TRS purposes. If selected, the <b>FTE Hrs</b> is set to zero on the TRS extract regardless of the values in the <b>FTE Hrs</b> , <b>Position</b> , <b>TRS Status</b> , <b>Employee</b> , and <b>Pay Type</b> fields.
