midpoint\_salaries\_basis\_salary\_change ..... i

Click  to select one of the following options:

*C - Use position hrly/dly rate* - Select to base the percentage on the midpoint. This option is used by LEAs that follow a midpoint schedule.

*T - Use Simulation Mid Inc/Dec Amt* - Select to calculate the percentage increase for midpoints on the actual existing rate. This option is used by LEAs that are using a midpoint schedule in place of putting employees on a salary schedule.

This is a required field.
