If necessary, update the **Increase Eligible** field to identify the employees who are eligible to receive a salary increase for the new school year when running simulations. Only the employees with this field selected will receive a salary increase.

The screenshot displays the 'Position Record' section of the PMIS Position Modify form. It includes a table of position details and an 'Occupant' section with various fields.

If there are retirees who work in the LEA, confirm that the **TRS Status** field is set to 5 - Retired. If the TRS status is incorrect, there is a possibility that the status will be incorrect (TRS-eligible) when the employee is moved to the current year payroll.
