[Human Resources > Reports > HR Reports > Payroll Information Reports > HRS6050 - Contract Balance Variance Report](#)

This report looks at the pay rate for each employee and multiplies it by the number of remaining payments, and compares that amount to the Contract Balance on the Job Info tab. If there is a variance of more than a few pennies, perform manual calculations to determine if any corrections are needed.

Generate the report for pay type 1 and then again for pay type 2.
