* Includes B and L transaction types (B - Type was formerly **grant code and L - Type was formerly TT grant code).**

Do not include in supplemental pay.

For all columns, amounts are not included in the absence deduction and employer/employee 457 calculations.

For all columns, except for Type 2 Non-Pay/Non-Tax, the user has the option to set the workers' compensation code to have the amount subject to the workers' compensation tax.

For all taxable columns, the user has the option to set the supplemental tax rate to have the amounts taxed at the supplemental tax rate.

For L distribution types, the user has the option to set the **Fringe Taxable Benefits** flag to have the amount recorded in the **Calendar YTD Fringe Benefits** column.
