* Includes B and L transaction types (B - Type formerly ** grant code, L - Type formerly TT grant code).

** Do not include in supplemental pay.

Amts are not included in absence deduction, employer/employee 457 calculations.

For all columns, except type 2-nonpay-nontax, user has options to set workers' comp code to have amount subject to workers' comp tax.

For all taxable columns, user has option to set supplemental tax rate to have amounts taxed at the supplemental tax rate.

For L distribution types, the user has the option to set the Fringe Taxable Benefits flag, to have the amount recorded in the Calendar YTD Fringe Benefits Column.

For L distribution types, Calendar YTD Taxed Fringe Benefits amount cannot exceed Non-TRS Non-Pay Business Allowance (Bus Allow non-paid taxable).

All amounts subject to w/c calcs if user enters w/c code on transmittal.

*** For employees that are TRS Status 4 or 5, amount included in total retiree gross and subject to TRS Retiree Surcharge amounts ('H', 'N' or 'T' types not included)
