

Update employee credentials

Table of Contents

Update employee credentials i

Human Resources > Tables > Credential

Update the following tabs to reflect any employee credential changes. This information is used to maintain teacher credentials.

[Image](#)

The screenshot shows a web interface for managing credentials. At the top, there is a blue header bar with the text 'Tables > Credential' on the left and 'SessionTimer: 59 min and 51 sec' on the right. Below the header, there is a light blue button labeled 'Save'. Underneath the button, there are five tabs: 'Major / Minor', 'College Code', 'Certification Type', 'Specialty Area', and 'Teaching Specialization'. The 'Major / Minor' tab is currently selected and highlighted in a darker blue.

This task is usually done by the personnel department and does not affect salary calculations.

The following credential tabs are shared between the current year and next year records; therefore, changes to the current year records are effective in the next year records, and vice versa.
