Copy current year tables i

Human Resources > Next Year > Copy CYR Tables to NYR > Copy Current Year Tables (step 4 TCC) - Select All tables It is recommended that all tables be moved so that you have immediate access to any selected table. The program copies tables for all next year frequencies except the School Calendar table, regardless of the frequency to which you are logged on. To copy the School Calendar, you must log on to each frequency. The school calendar itself is not copied only the calendar code and the calendar description.
