

# Update job code table

# Table of Contents

**Update job code table** ..... i

Human Resources > Tables > Job/Contract > Job Codes

Image

Update the Job Codes tab on the Job/Contract page.

Select the appropriate **Salary Concept** for each job and to update the distribution account codes. The job codes table is not shared between the current and next year records.

**Reminder**: In the **FTE Hrs**, add the appropriate full time hours for each job code. Effective September 2017, these weekly hours scheduled are used by TRS Team reporting.
