## Verify payroll frequency

Payroll allows the use of multiple payroll frequencies in both the current year and next year payroll. This feature allows you to use a different authorized payroll frequency for salaried staff than hourly staff or substitutes, if necessary.

<b>CYR Payroll Frequency</b>	<b>Frequency Description</b>	<b>NYR Payroll Frequency</b>
4	Biweekly Payroll	D
5	Semimonthly payroll	E
6	Monthly payroll	F

The **Year** field displays the year to which you are logged on (i.e., C - current year or N - next year).

The **Frequency** field displays the pay frequency based on the **Year** field.

Click **Change** to select another year and frequency.

Click **Apply** to apply the changes.
