Select Difference Report Columns

This is a required field. You must choose one amount for each column of the report from the lists or type N for none.

1. Click one column title from which to create an appropriation report.
2. Click **OK** to accept the selection and return to the report parameters, or click **Cancel** to return to the report parameters without selecting a column title.
3. The **Value** field for the report parameters displays a number (1-7) for each selected column. If a difference report is not being created, type N for none.
