

Set up District Administration purchasing options

Table of Contents

Set up District Administration purchasing options i

District Administration > Options > Purchasing Options > Current Year

Select the applicable options to set up purchasing tables and files for the current year. These options enable the LEA to determine how receiving is used, if requisition and purchase order numbers are automatically assigned, and if payable transactions are automatically created on the [Finance > Maintenance > Pending Payables](#) page.

Use Blind Receiving	<p>Select to conceal quantities ordered on the requisition on the Purchasing > Maintenance > Receiving > Requisition page.</p> <p>If blank, the quantities ordered on the requisition are not concealed.</p>
Use Req Number as JV Number	<p>Select if you want to automatically populate the journal voucher numbers for general journal transactions when submitting, approving, or returning requisitions.</p> <p>If not selected, the journal voucher numbers for general journal transactions are populated with RQMMDD (e.g., November 12 would be RQ1112) when submitting, approving, or returning requisitions.</p>
Allow Partial Receiving	<p>Select to receive less than the amount ordered.</p>
Cutoff Date	<p>Type the final date that the requisitions can be created in the MMDDYYYY format. When the date is less than the current date, new requisitions can no longer be created. If blank, requisitions can be entered at any time.</p>

Allow Receiving Overage	Select to receive more than the amount ordered. If selected, you have to indicate the maximum percentage of overage in the Percent of Items Over field. If the Percent of Items Over field is 100% and you ordered one item, you can receive two items.
Print Extended Description	Select to print the extended description on the purchase order forms.
Create Receiving Payables	Select to automatically create payable transactions on the Finance > Maintenance > Pending Payables page when using the receive feature. If not selected, payable transactions are not created in Finance when using the receive feature.
Allow for Approval Process	Select to use the approval process in Purchasing. If this field is not selected, the Campus/Dept field is not displayed on the Purchasing > Maintenance > Create/Modify Requisition page.
Restrict Campus/Dept	Select to limit the campus list to the campuses listed on the District Administration > Maintenance > User Profiles > Purchasing Restrict Campus/Dept tab. By default, this field is not selected and all first approver campuses are allowed.

Under **Bundle Information:**

Auto Assign Bundle Number	Selected by default to automatically assign a bundle number when using the bundle requisitions feature. In the Next Available Bundle Number field, type the next bundle number to be assigned or click Next Available Bundle Number to populate the next available bundle number to be assigned.
----------------------------------	---

Under **Bid Information:**

Auto Assign Bid Number	Selected by default to automatically assign a bid number when using the bid processing feature in Purchasing. In the Next Available Bid Number field, type the next bid number to be assigned or click Next Available Bid Number to populate the next available bid number to be assigned.
-------------------------------	---

Under **Commodity Codes:**

Restrict Commodity Codes to Buyer	Select to restrict the use of commodity codes to only buyers (i.e., Buyer is selected on the District Administration > Maintenance > User Profiles > Purchasing Permissions tab). If selected, only buyers can view the Commodity Code field on the Purchasing > Maintenance > Create/Modify Requisition & Create/Modify Contract Requisition page. If Restrict Commodity Codes to Buyer is not selected, then all users can view the Commodity Code field on the Purchasing > Maintenance > Create/Modify Contract Requisition page.
Use Commodity Codes in Finance Payables	(This functionality will be available in a future release.) Select to use commodity codes in Finance payables.

Under **Central Warehouse:**

Central Warehouse

Click  to select the LEA's default receiving address. You can add or edit address information on the [District Administration > Tables > Receiving Addresses](#) page.

Note: The central warehouse address is printed in the **Ship To** field on the purchase order if the shipping addresses are different for each requisition in a bundled requisitions purchase order. In this case, you must indicate the requesting campus, department, and requestor in the line item comments on the purchase order. The line item comments are only printed on the District PO copy.

Click **Save**.
