[Payroll > Tables > District EP Options > EmployeePortal Options](#)

Set up the following EP options to allow employees to view the Travel Reimbursement Request page in EmployeePortal.

The screenshot shows the 'EmployeePortal Options' configuration page. At the top, there is a 'Save' button and a 'Payroll' dropdown menu. Below that, there are 'Year: C' and 'Frequency: 6' fields. The main content area is divided into two sections: 'EMPLOYEEPORTAL OPTIONS' and 'LEAVE CAMPUSES'. Under 'EMPLOYEEPORTAL OPTIONS', there are 'Retrieve' and 'Print' buttons, and a 'Use:' section with radio buttons for 'Employee Number' (selected) and 'Social Security Number'. The 'Enable' section contains a list of options with checkboxes, where 'Travel Reimbursement Request' is checked and circled. The 'Messages' section contains a list of options with radio buttons, where 'Travel Reimbursement Request' is selected and circled. A text box on the right contains the message 'This is a travel message for all employees', with a black arrow pointing down to it from the 'Messages' section header.

Under **Enable**, select **Travel Reimbursement Request** to enable the travel reimbursement request feature in EmployeePortal.

Under **Messages**, select **Travel Reimbursement Request** to enable employees to view a preset message on the Travel Reimbursement Requests page in EmployeePortal.

- Type the applicable message in the text box.
- The message is displayed in red at the top of the Travel Reimbursement Requests page in EmployeePortal after the record is saved.

Click **Save**.
