## ED25 Demographic Adjustment

The ED25 Demographic Adjustment tab is used to report adjustments to an employee's previously submitted ED20 (Demo) record.

ED25 records are not created for changes made to a terminated employee's demographic record.

**Note:** If an ED20 record has been submitted and corrections are required, submit an ED25 record the following month. Do not send both an ED20 and an ED25 record for the same employee in the same month.

The **Emp Nbr**, **Staff ID/SSN**, **Name**, **DOB**, and **Gender** fields are displayed and cannot be changed.
