Field	Description
Year	Type a four-digit grant year. This field defaults to the current school year.
Grant ID	Begin typing a grant ID or description. As you type the data, a drop-down list of corresponding data is displayed. Select a grant ID. If the grant ID or description is not known, click ⋮ to select a grant ID from the Grant IDs lookup or press the Spacebar to view a list of grant IDs. The grant ID autosuggest list and the Grant IDs lookup is based on the **Year** field. For example, if you type 2020 in the **Year** field and tab to the **Grant ID** field, only active 2020 grant IDs are displayed in the autosuggest list and in the lookup.

❑ Click **Retrieve**. The grant record is displayed.

If the grant information is not known, click Directory to perform a search of all grants.

Note: If only the original transaction (first entry) exists, the **Member** (county district) and **Grant Type** fields can be edited. Once budget revision and reimbursement requests are applied to a grant ID/Year, the **Member** (county district) and **Grant Type** fields can no longer be edited.

Add a grant record:

Add a new grant record:

Or, you can type a new year and grant ID in the **Year** and **Grant ID** fields below the Grant Maintenance tab. If adding a new grant ID, you must enter the same year and grant ID in the **Year** and **Grant ID** fields at the top of the page and under the Grant Maintenance tab.

Add a request:

The **Budget Adjustment**, **Budget Revision**, and **Reimbursement** buttons are disabled when the **Processed Indicator** is selected.
