This tab allows fiscal agents to add budget details allocated by object class for a specified year and grant ID. Amounts can be added until the original budget is saved. After the original budget is saved, the fiscal agent must create a budget amendment to make changes to the budget.

View a record:

Field	Description
Year	Type a four-digit grant year.
Grant ID	Begin typing a grant ID or description. As you type the data, a drop-down list of corresponding data is displayed. Select a grant ID. If the grant ID or description is not known, click ⋮ to select a grant ID from the Grant IDs lookup or press the Spacebar to view a list of grant IDs. The grant ID list in the autosuggest and the Grant IDs lookup is based on the **Year** field. For example, if you type 2020 in the **Year** field and tab to the **Grant ID** field, only active 2020 grant IDs are displayed.

❑ Click **Retrieve**. The grant record is displayed.

If the grant information is not known, click Directory to perform a search of all active grants.

Notes:

- If you retrieved an existing record, only the **Over Expend %** field can be edited. All other fields are read-only.
- If you are adding a new record, only the **Total Award** and **Over Expend %** fields can be edited. All other fields are read-only.

The **Year**, **Grant ID**, and **Member** fields are populated for the selected **Grant ID**. Or, if adding a new record, only the **Year** field is populated.

Add a record:
