# GP1200 - Past Final Date Without Final Report

**Grants and Projects > Reports > SSA Grant Reports > Past Final Date Without Final Report**

This report provides a list of grant years and IDs that have a **Final Report Due Date** without a reimbursement transaction designated as the final reimbursement for the grant year and grant ID before the date entered in the **Effective Date** report parameter.

This default sort for this report is by Grant Type, Grant Year, and Grant ID.

Parameter	Parameter Description
<b>Effective Date (MMDDYYYY)</b>	Type the effective date in the MMDDYYYY format from which you want to retrieve grant transactions. This is a required field.
<b>Select Grant Year (YYYY) or blank for ALL</b>	Type a grant year in the YYYY format. Or, leave blank to include all grant years and IDs regardless of grant year.
<b>Select Grant Type(s) or blank for ALL</b>	Type a grant type separating multiple types with a comma. Or, click  to select a grant type(s). Otherwise, leave blank to include all grant types.
<b>Select Member(s) or blank for ALL</b>	Type a six-digit member/county district number separating multiple numbers with a comma. Or, click  to select a member(s). Otherwise, leave blank to include all members.
