Bank Code - GRT2150

Grants and Projects > Tables > SSA Members > Bank Code

This tab is used to add and maintain member bank information. In order for a member to receive payments via an electronic funds transfer (EFT), you must add specific bank information for the member. You can add or edit information in the bank table at any time.

View a record:

Field	Description
Member	Begin typing the member name or six-digit county-district number. As you type the data, a drop-down list of corresponding data is displayed. Or, press the Spacebar to view a list of members. Select a member and click **Retrieve**. The member record is displayed. If the member name or county-district number is not known, click Directory to perform a search of all active members.

Add a bank record:

❑ Under **Bank Information**:

EFT E-mail	Type the member's email address to send EFT payment information. The field can be a maximum of 45 characters. This field is required when adding a bank information record.

Bank	Begin typing a bank code or name. As you type the data, a drop-down list of corresponding data is displayed. The bank information must exist on the Finance > Tables > Bank Codes tab. Select a bank code. If the bank code or name is not known, click to select a bank from the Banks lookup or press the SPACEBAR to view a list of banks.
Bank Acct Nbr	Type the corresponding bank account number for the selected bank.
Bank Acct Type	Select the account type for the selected bank and bank account number. • *2 Checking account* • *3 Savings account*
