Calendar YTD - HRS3600

Human Resources > Maintenance > Calendar YTD Data > Calendar YTD

This tab is used to view and maintain payroll year-to-date totals for individual employees. The totals include those for various types of pay and deductions. These amounts are used for generating W-2 forms.

How W-2 Box Amounts are Populated

Field Name Cross Reference

Create a calendar YTD record:

Field	Description
Calendar Year	Type the year of the calendar in the YYYY format. The system is set to the current year, if available.
Employee	Begin typing the employee name or number. As you type the data, a drop-down list of corresponding data is displayed. Select an employee and click **Retrieve**. Or, click **Directory** to perform a search in the Employees directory.

Under **Calendar YTD Data**, complete the following fields:

Contract Pay	Type the amount of pay issued to the employee during the current calendar year for job responsibilities covered by the contract.
Non-Contract Pay	Type the amount of pay issued to the employee during the current calendar year for job responsibilities not covered by the contract.
Supplemental Pay	Type the total amount of supplement pay issued to the employee during the current calendar year.
TRS Supplemental	Type the amount of the TRS supplemental compensation that was paid to the employee during the current school year.
Tax Emplr Ins Contr	Type the taxable employer whole life insurance contribution that was paid on the employee's behalf during the current calendar year. The amount from this field is displayed in Box 14 (TFB) on the employee W-2 and as a Tax Fringe Benefit on the W-2 Report.

Non-TRS Reimbr Excess	Type the amount of the employee's pay that was over the base pay exemption for non-TRS reimbursement during the current calendar year. The amount from this field is displayed in Box 14 (TXA) on the employee W-2.
N-TRS N-Pay Bus Allow	Type the amount of any nonpaid business allowances that was not subject to TRS deductions during the current calendar year. The amount from this field is displayed in Box 14 (TXA) of the employee's W-2.

Tax Emplr Grp Ins Contr	Type the amount of any taxable group life insurance contribution that was paid on the employee's behalf during the current calendar year that exceeds $50,000. The amount from this field is displayed in Box 12C on the employee W-2 and as Taxed Contribution on the W-2 Report.
457 Withdraw	Type the amount received from a 457 plan withdrawal during the current calendar year. The amount from this field will not display on either the employee W-2 or the W-2 Report. **Note**: Determine if the 457 withdrawal meets the criteria for the W-2 or a 1099-R. The IRS has specific requirements based on the type of 457 plan. See the IRS instructions for forms 1099-R, 5498, W-2, and W-3.
Annuities	Type the amount the employee contributed to an annuity during the current calendar year. The amount from this field is displayed in Box 12E on the employee W-2 and as Annuities on the W-2 Report.
Cafeteria 125	Type the amount of the employee's cafeteria 125 plan participation during the current calendar year. The amount from this field is displayed in Box 14 (CAF) on the employee W-2.
TRS Salary Red	Type the amount of the employee's TRS salary reduction during the current calendar year.
457 Emp Contr	Type the amount the employee contributed to a 457 plan during the current calendar year. The amount from this field is displayed in Box 12G on the employee W-2 and as 457 Comp on the W-2 Report.
Emplr Depend Care Taxable	Type the amount of the employer dependent care contribution that has caused the total dependent care (employee and employer) to exceed $5,000, which is the maximum amount allowed per calendar year. The amount from this field is included in Boxes 1, 3, and 5 on the employee W-2.
Taxable Gross	This amount is calculated based on the amounts entered in the column above it. The amount from this field is displayed in Box 1 on the employee W-2 and as Withhold Gross on the W-2 Report. **Note**: If 457 withdraw is indicated on this page for 2006 or later year, the taxable gross on this page will not agree with the taxable gross on the W-2 or the W-2 Inquiry page. See the IRS instructions for forms 1099-R, 5498, W-2, and W-3.
Withholding Tax	Type the amount of federal income tax withheld from the employee's pay during the current calendar year. The amount from this field displays in Box 2 on the employee W-2 and as Withhold Tax on the W-2 Report.
Medicare Gross	Type the annual gross pay amount that is used to calculate Medicare withholding. The amount from this field displays in Box 5 on the employee W-2 and as Med Gross on the W-2 Report.
Emp Medicare Tax	Type the amount of medicare tax withheld from the employee's pay during the current calendar year. The amount from this field displays in Box 6 on the employee W-2 and as Med Tax on the W-2 Report.
FICA Gross	Type the annual gross pay amount used to calculate FICA withholding. The amount from this field displays in Box 3 on the employee W-2 and as FICA Gross on the W-2 Report.
Emp FICA Tax	Type the amount of FICA tax withheld from the employee's pay during the current calendar year. The amount from this field displays in Box 4 on the employee W-2 and as FICA Tax on the W-2 Report.
457 Emplr Contr	Type the amount of the employer's contribution to the employee's 457 plan. The amount from this field displays in Box 12G on the employee W-2 and as 457 Comp on the W-2 Report.

Emp Business Expense	Type the amount of employee business expenses that was paid to the employee during the current calendar year. The amount from this field displays in Box 12L on the employee W-2.
Earned Income Credit	Type the amount of earned income credit the employee qualifies for during the current calendar year. The amount from this field displays in Box 9 on the employee W-2 and as EIC on the W-2 Report.
TRS Deposit	Type the amount deposited for the employee during the current calendar year. The amount from this field displays in Box 14 (TRS) on the employee W-2.
Non-TRS Reimbr Base	Type the basic amount of the employee's pay that was exempt from non-TRS reimbursement during the current calendar year. The amount from this field displays in Box 14 (TXA) on the employee W-2.
N-TRS N-Tax Bus Allow	Type the amount of any paid business allowances that was not subject to federal income tax or TRS deductions during the current calendar year. The amount from this field is displayed in Box 14 (NTA) on the employee W-2. **Note**: The non-TRS nontax business allowance amount is not included in the taxable gross calculations if the calendar year is greater than 2013.
N-TRS N-Tax N-Pay Allow	Type the amount of any nonpaid business allowances that was not subject to federal income tax or TRS deduction during the current calendar year. The amount from this field is displayed in Box 14 (NTA) of the employee's W-2. **Note**: The non-TRS nontax nonpay business allowance amount is not included in the taxable gross calculations if the calendar year is greater than 2013.
Health Ins	Type the amount paid for the employee's health insurance (AC or HI type deduction codes) during the current calendar year that was not sheltered under the cafeteria plan. The amount from this field displays in Box 14 (HEALTH) on the employee W-2.
Unemployment Tax	Type the amount paid for the employee's unemployment tax during the current calendar year.
Unemployment Gross	Type the annual gross pay amount that is used to calculate unemployment insurance premiums and benefits.
Taxed Fringe Benefits	Type the amount of taxable fringe benefits paid to the employee during the current calendar year. The amount from this field displays in Box 14 (TFB) on the employee W-2 and as Tax Fringe Bnft on the W-2 Report.
Dependent Care	Type the dependent care amount paid by the employee during the current calendar year. The amount from this field displays in Box 10 on the employee W-2 and as Dep Care on the W-2 Report. The Cafeteria 125 amount should be verified if this amount is adjusted. If the employee dependent care amount causes the total dependent care (employee and employer) to exceed $5,000, the cafeteria 125 amount for that deduction is reduced for that paycheck.
Moving Exp Reimbr	Type the amount for any moving expense reimbursement paid to the employee the calendar year. The amount from this field displays in Box 12P on the employee W-2. This field is disabled for tax years that are greater than or equal to 2018. **Per the IRS, the 2018 tax law suspends the exclusion for qualified moving expense reimbursements**.
TEA Health Ins Contr	Type the amount of the TEA health insurance contribution paid to the employee during the current calendar year.

Emplr Depend Care	Type the dependent care amount paid by the employer during the current calendar year. The amount from this field displays in Box 10 on the employee W-2. The Cafeteria 125 amount should be verified if this amount is adjusted.
