# Separation - HRS6140

## Human Resources > Maintenance > PMIS Change in Position > Separation

is used to remove an employee from all positions and calculate the employee's last paycheck. There are two types of separations:

- Separation due to termination (for contract, noncontract, or salaried employees). Contracted positions are determined the pay rate code in the appropriate salary table (e.g., daily/hourly, midpoint, or annual).
- Separation due to contract payoff.

When a separation transaction is approved, the job codes will be updated for the payoff amounts and information.
