College Code - HRS2200 1

College Code - HRS2200

Human Resources > Tables > Credential > College Code

This tab is used to maintain codes for colleges and universities as well as the name of the institution and the state in which the institution is located.

Add college codes:

Select a student

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.

/*Inline folded include*/

Field	Description
Campus ID	
Pass/Fail	

Click **Save**.
