Employee/Supervisor - HRS2060

Human Resources > Tables > Employee Access Supervisors > Employee/Supervisor

This tab is used to designate the employee/supervisor relationship. This information assists in determining the appropriate approval path for employee leave requests submitted through EmployeePotal.

You can manually add the information or you can import a data file.

Note: This page does not need to be populated if **Use PMIS for Supervisor Levels** is selected on the Human Resources > Tables > District EA Options > Employee Access Options tab.

Add an employee/supervisor relationship:

Field	Description
Start Employee Name	Begin typing the employee number or name. As you type the data, a drop-down list of corresponding data is displayed. Select the desired employee and click **Retrieve**. All employees that exist in Human Resources are included in the search. A list of employees starting at the selected name is displayed.
Supervisor Name	Begin typing the supervisor's employee number or name. As you type the data, a drop-down list of corresponding data is displayed. Select the desired employee and click **Retrieve**. All employees that exist in Human Resources are included in the search.

❑ Click **+Add** to add a row.

Employee Number	Begin typing the employee number. As you type the data, a drop-down list of corresponding data is displayed. Select the desired employee. The **Last Name**, **Gen**, **First Name**, and **Middle Name** fields are populated with the employee's information.
Supervisor Number	Begin typing the employee number. As you type the data, a drop-down list of corresponding data is displayed. Select the desired employee. The **Last Name**, **Gen**, **First Name**, **Middle Name**, and **User ID** fields are populated with the employee's information.
