(OBSOLETE) ED20 (Demo) - HRS3900

Human Resources > Utilities > TEAM Submission > Data Maintenance > Employee Data (ED) > ED20 (Demo)

This tab is used to report an employee's demographic information. An ED20 record must be submitted for all new employees including employees who were previously terminated and rehired. This does not apply to retirees. The ED20 record is submitted to TRS at the beginning of a new school year and each month for new employees.

Note: If an ED20 record has been submitted and corrections are required, submit an ED25 (Demo Adj) record the following month. Do not send both an ED20 and an ED25 record for the same employee in the same month.

Click [here](#) to access the **TEAM Report Formatting Guide - ISDs, Charters, and ESCs** for additional reporting information and complete file record layouts.

This tab consists of a grid at the top and a free-form area at the bottom. The demographic information displayed in the top grid is display only; however, it can be edited in the free-form area.

Create an ED20 demographic record:

Field	Description
TRS Month	Click  to select a TRS month for which you want to retrieve data. This is a required field.
TRS Year	Type the calendar year in the YYYY format for which you want to retrieve data. This is a required field.

Click **Retrieve** to retrieve the requested data.

Click [Directory](#) to search for an employee.

Click  to view additional details for a row in the free-form area.

- The **Emp Nbr** and **Staff ID/SSN** fields are display only for saved records.
- You can edit the data fields in the free-form area.

To add another row, click **+Add**. A new row is added with the cursor in the **Emp Nbr** field. In the **Emp Nbr** field of the free-form area, type or select an employee number, and then press TAB. Data associated with the employee number is displayed. You can edit and save the data. If an employee is selected from the Directory, a new row is added. If multiple rows are selected from the Directory, all of the employees are added as new rows in the grid area.
