ER20 (Employment of Retirees) - HRS3950

Human Resources > Utilities > TEAM Submission > Data Maintenance > Employment After Retirement (ER) > ER20 (Employment of Retirees)

This tab is used to report employment information for retirees, regardless of retirement date or retirement type.

Per TRS, if a retiree has multiple jobs, only one ER20 record should be submitted for each retiree. The **Hours Worked**, **Days Worked**, and **Total Gross Compensation** fields should be cumulative, regardless of how many positions the retiree works for the local education agency (LEA).

Click [here](#) to access the TEAM Report Formatting Guide - ISDs, Charters, and ESCs for additional reporting information and complete file record layouts.

This page consists of a grid at the top and a free-form area at the bottom.

Create an ER20 record:

Field	Description
TRS Month	Click  to select a TRS month for which you want to retrieve data. This is a required field.
TRS Year	Type the calendar year in the YYYY format for which you want to retrieve data. This is a required field.

Click **Retrieve**. All previously entered TRS Eligible Code 5 (Retired) employment information is displayed.

Note: To retrieve employees with TRS Eligible Code 5 (Retired), click **Directory** to select an employee. The employee selection list is limited to TRS Eligible Code 5 (Retired) employees only.

Click [Directory](#) to search for an employee.

Other functions and features:

	Delete a row. Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved.
