HRS3050 - School Year To Date Report

Payroll > Reports > School Year To Date Report

The report provides a listing of the employee earnings between September 1 and August 31. Print the report after posting payroll information to the master file to verify the employee earnings. Print the report by district, or group the report by campus. When grouping the report by campus, the report includes campus subtotals. Both report options include district totals.

Detailed job accrual data is available for accruing employees for the 2006 school year and later. This data is not available for school years prior to 2006 and for employees who do not accrue.
