Payroll > Utilities > Mass Delete > Self-Service Data

This utility is used to delete self-service data for a number of employees at a single time. Pending requests will not be deleted.

Mass delete self-service data:

☐ Under **Processed Date Range:**

Field	Description
From Date	Type in the MMDDYYYY format the beginning date of the range of dates for which you wish to delete self-service data.
To Date	Type in the MMDDYYYY format the ending date of the range of dates for which you wish to delete self-service data.

☐ Click **Execute** to execute the process.

A message is displayed indicating that the self-service data deleted successfully.
