## Personnel > Utilities > Change Staff ID/TX Unique ID

This utility is used to correct Staff IDs/Social Security Numbers and TX Unique IDs. You can only update one ID at a time, either the **Staff ID/SSN** or **TX Unique ID**.

### Modify an ID:

Field	Description
<b>Employee</b>	Begin typing the employee name or number. As you type the data, a drop-down list of corresponding data is displayed. Select an employee and click <b>Retrieve</b> . Or, click <b>Directory</b> to perform a search in the <a href="#">Employees directory</a> .

Under **Staff ID**:

<b>Old Staff ID/SSN</b>	The employee's existing staff ID/Social Security Number is displayed.
<b>Enter New Staff ID/SSN</b>	Type the employee's updated nine-digit staff ID/Social Security Number.

Under **TX Unique ID**:

<b>Old TX Unique ID</b>	The employee's existing TX Unique ID is displayed.
<b>Enter New TX Unique ID</b>	Type the employee's updated TX Unique ID.

Click **Execute** to execute the process. A message is displayed confirming that you want to continue.

- Click **Yes** to continue the process.
- Click **No** to cancel the process.

If you click **Yes**, a message is displayed indicating that the staff ID process completed successfully. Click **OK**.
