Mass Delete PMIS History - HRS6285

Position Management > Utilities > Mass Delete PMIS History

This utility allows you to delete all PMIS history records for a selected school year at one time.

Create an export using Export PMIS Tables prior to using this utility.

Delete PMIS history records:

Field	Description
Select School Year	Type the four-digit school year for which you want to delete PMIS history records.

Note: You must enter a prior school year. The value cannot be the current school year (i.e., the value in the **Current Year** field on the District Administration > Options > Position Management page).

□ Click **Execute** to process the deletion of records. You are prompted to create a backup.

After the export process is complete, the actual update is done. If the update is successful, a message is displayed indicating that the mass delete of PMIS history records was processed successfully.
