# Approve Bundle Requisitions - REQ3230

## **Purchasing > Maintenance > Approve Bundle Requisitions**

This page allows the final approver in the Purchasing approval path to approve or return requisition bundles. Once a requisition bundle is approved, the bundled requisitions are assigned a single purchase order number.

The page consists of three grids:

- The top grid displays the requisition bundle information.
- The middle grid displays the requisition information for the bundle.
- The bottom grid displays the requisition line items.

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.
