# Approve Bundle Requisitions - REQ3230

## Purchasing > Maintenance > Approve Bundle Requisitions

This page allows the final approver in the Purchasing approval path to approve or return requisition bundles. Once a requisition bundle is approved, the bundled requisitions are assigned a single purchase order number.

The page consists of three grids:

- The top grid displays the requisition bundle information.
- The middle grid displays the requisition information for the bundle.
- The bottom grid displays the requisition line items.

### Approve bundle requisitions:

Retrieve an existing record.	<a href="#">Search for a record.</a>	
	Under <b>Retrieve By</b> :	
	<b>Vendor</b>	Begin typing the vendor name or number. As you type the data, a drop-down list of corresponding data is displayed. Select a vendor.
	<b>Bundle Nbr</b>	Type the six-digit bundle number.
Click <b>Retrieve</b> .

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.
