Warehouse Requisition Status - BWH4100

Warehouse > Inquiry > Warehouse Requisition Status

This page is used to perform a status inquiry on a warehouse requisition. Requisition records contain all basic requisition data entered at the time it was originated, and indicates whether the order was shipped or back-ordered. The quantity shipped depends upon the approved requisition being submitted to the warehouse and being received at the campus.

Perform a warehouse requisition inquiry:

Retrieve an existing record	Search for a record.	
	Requisition Nbr	Type the six-digit requisition number to be retrieved, if known. Leading zeros are not required. However, if alphanumeric values are entered, the field is not zero-filled.
	PO Nbr	Type the purchase order number to be retrieved. Leading zeros are not required.
<p>If the purchase order number is not known, type data in one of the following search fields.</p> <ul style="list-style-type: none"> • From Date • To Date • Requestor Name • Vendor Name • Vendor Number • Status • Bid Category <p>Click Retrieve to process the inquiry based on the selected values.
