Cancel Back Orders - BWH3250

Warehouse > Maintenance > Cancel Back Orders

This page is used to cancel back orders of items purchased. Back orders occur when more items are ordered than are in stock at the warehouse. The page allows you to cancel one or more of those items from a single requisition identified by the requisition number.

Cancel back orders:

| | | |
|---|--------------------------------------|---|
| Retrieve an existing record | Search for a record. | |
| | Requisition Nbr | Type the six-digit requisition number to be retrieved, if known. Leading zeros are not required. However, if alphanumeric values are entered, the field is not zero-filled. |
| Click Retrieve . If the requisition number is not known, click Directory . | | |

Under **Back Order Information**:

| | |
|-------------------------|--|
| Date Requested | The original date of the requisition request is displayed. |
| Requestor Name | The name of the person recording the return of the warehouse inventory items is displayed. |
| Reference Number | The requisition identification number is displayed. |
| Campus | Type the name of the campus submitting the requisition. As you type the data, a drop-down list of corresponding data is displayed. Select the campus/department. indicates the three-digit identification number of the campus from which these items are being returned. |

Click **Cancel** to return to the Fill Back Orders page without filling the orders.

Other functions and features:

| | | |
|---|--|--|
|  | Click to veiw each item by campus. | |
| | The Back Orders window is displayed. A row for each campus is displayed. | |
