# Campus Route - BWH2100

## Warehouse > Tables > Campus Route

This page is used to designate an LEA-defined routing code to be used in conjunction with the BWH1150 - Print Shipping Order Report. All campus numbers are displayed. Typically, the route code relates to the days of the week and the route.

### Create a campus route:

Retrieve a campus record:

<b>Start At</b>	Type the three-digit starting campus ID from which to display campuses.	OR	<b>Campus Name</b>	Type a campus description.
-----------------	---	----	--------------------	----------------------------

Click **Retrieve**. The **Campus ID** and **Campus Description** are displayed.

Field	Description
<b>Route Code</b>	Type a three-character pattern to be used in the <b>Select SO Warehouse Route Nbr(s), or blank for All</b> report parameter on the BWH1150 - Print Shipping Order report. Typically, the route code relates to the days of the week and the route.

Click **Save**.
