Warehouse > Tables > Campus Route

This page is used to designate a district-defined routing code to be used in conjunction with the Print Shipping Order Report. All campus numbers are displayed.

Modify a record:

[Select a student](#)

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.

/*Inline folded include*/

Field	Description
Campus ID	
Pass/Fail	

Click **Save**.

****NOTE:**

Other functions and features:

	Delete a row. Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved.
