# Campus Route - BWH2100

**Warehouse > Tables > Campus Route**

This page is used to designate a district-defined routing code to be used in conjunction with the Print Shipping Order Report. All campus numbers are displayed.

## Create a campus route:

Retrieve a record:

Field	Description
<b>Start At</b>	Type the three-digit starting campus ID from which to display campuses.
<b>Campus Name</b>	Type a campus description.

Click **Save**.
