# Administrative Guide

Welcome to CareerPortal, your organization’s complete solution for managing the recruiting and hiring process.

CareerPortal provides an easy-to-use, lightweight employment system that allows you to recruit new employees, track applicants, easily manage settings, send messages, control work and interview flows, and much more.

The CareerPortal Administrative Guide provides a deep dive into CareerPortal’s key administrative features using process orientated use-cases that illustrate how to perform administrative tasks within CareerPortal so that you can Bring in the Best™. Let’s get started.

## Before You Begin

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## Get Started

- Log In
  - [Login](#)

### Login

The Login page is used by CareerPortal users to log into the system. If you don't have an account yet, see [Don't have an account yet?](#) section below.

Upon initial account creation or log on to the portal, the End User License Agreement (EULA) for ASCENDER is displayed. Users must accept the agreement in order to proceed.

### Log into CareerPortal

User Name	Type your user name.
Password	Type your password.

Click **Login**. Your CareerPortal Job Dashboard is displayed.

### Don't have an account yet?

Click **Create an account** to [register](#).

## Did you forget your password?

We all forget our passwords. Thankfully, CareerPortal makes it easy to reset your password.

Click **Reset Password** on the Login page.

Field	Description
<b>Username</b>	Type your username. You only have to type your username or email address.
<b>Email</b>	Type your email address. You only have to type your username or email address.
<b>I'm not a robot</b>	You may be asked to complete a simple recognition task to verify that you are not a robot. If this is the case, complete the recognition task, and click <b>Verify</b> .
<b>Continue</b>	Continue.

## Answer your security question to continue

Field	Description
<b>Answer</b>	Type the answer to the security question that you typed when creating your account.
<b>Continue</b>	Continue.

## Enter and confirm new password

Field	Description
<b>New Password</b>	Type your new password.  Requirements: <ul style="list-style-type: none"><li>• 16-46 alphanumeric characters</li><li>• Three of the following: uppercase, lowercase, numeric, and special characters</li><li>• Case-sensitive</li></ul>
<b>Confirm Password</b>	Retype the password.
<b>Reset Password</b>	You are taken to the CareerPortal log in page. CareerPortal will also send a password reset confirmation email to the email address used to register your CareerPortal account.

## Logging out of CareerPortal

When you are logged into your CareerPortal account, each page displays **Logged into CareerPortal as: <Your Username>** in the top right corner.

- Click your username. A drop-down menu will appear.
- Click *Log Out*. A log out confirmation page will appear.
  - Click **Yes. Logoff.** to log off.
  - Click **No. Stay logged in.** to remain logged into CareerPortal.

- [Admin Login](#)

## Admin Login

The Admin Login page is used by CareerPortal administrators to log into a specific district, coop, or organization. You can access the Admin Login page from the [CareerPortal homepage](#) or the [Login](#) page.

**Note:** If you are an administrator you can only log in using the Admin Login page. Only Super Admins can log into multiple coops (districts).

### Access the Admin Login page

There are two ways to access the Admin Login page.

- Go to the bottom of the CareerPortal homepage. Click **Admin Login**.
- Click **Login** on the CareerPortal homepage. Click **Admin Login** at the bottom of the login page.

### Administratively log into CareerPortal

Field	Description
<b>UserName</b>	Type your user name.
<b>Password</b>	Type your password.
<b>District/Coop/Organization</b>	Select your district, coop, or organization from the drop-down menu. This option may vary.
<b>Remember me</b>	Select this if you want your browser to remember your user credentials. This is not recommended if you share a computer with others.
<b>Always use Admin Login</b>	Select this if you only want to sign in as an admin. Using this option will only present the Admin Login page when logging in to CareerPortal.
<b>Login</b>	Your CareerPortal <a href="#">Dashboard</a> is displayed.

- [Explore the Dashboard](#)

## Dashboard

The Dashboard provides an all access view into your organization's applicant search and job posts while also providing a means to easily navigate within CareerPortal. The Dashboard is divided into four tiles (Current Posted Jobs, Applications, Applicant Watch, and Messages) and three sections (Posted Jobs Approval Queue, Interview Rating Queue, Unread Messages) that either take you to other CareerPortal pages, provide data from other CareerPortal pages, or allow you to perform administrative functions.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

## Current Posted Jobs, Applications, Applicant Watch, and Messages tiles

The **Current Posted Jobs**, **Applications**, **Applicant Watch**, and **Messages** tiles are located at the top of the page.

Field	Description
<b>Current Posted Jobs</b>	The tile displays the number of jobs that you have posted. Click <b>VIEW MORE</b> to go to the <a href="#">Posted Jobs</a> page.
<b>Applications</b>	The tile displays the number of applications that have been submitted for jobs you have posted. Click <b>VIEW MORE</b> to go to the <a href="#">Search Applicants</a> page.
<b>Applicant Watch</b>	Click <b>VIEW MORE</b> to go to the <a href="#">Applicant Watch</a> page.
<b>Messages</b>	Click <b>VIEW MORE</b> to go to your <a href="#">Messages</a> page to view and respond to messages.

## Posted Jobs Approval Queue

The **Posted Jobs Approval Queue** allows you to view your job approval workflow. A job approval workflow is part of the job posting process where selected users approve or deny a job posting before it is made available to applicants. Job posts that need your approval are listed in a grid in this section. The actual job approval or denial is performed on the Job Detail page.

Field	Description
<b>View</b>	Opens the <a href="#">Job Detail</a> page.
<b>Position</b>	Displays the position title.
<b>Department</b>	Displays the department title.
<b>Status</b>	Provides the job's approval status. Pending Approval will remain the status until all approvers have approved the posting.
<b>Assigned</b>	Displays the user who the job post is assigned to.
<b>Date Created</b>	Displays the job posting creation date and time stamp.
<b>History</b>	If you have approved or denied a job posting, the <b>History</b> button will appear next to the job under the <b>Posted Jobs Approval Queue</b> section. View a specific workflow history. The <b>Posted Job Approval History</b> window will display showing the same columns as the <b>Posted Jobs Approval Queue</b> with the addition of the <b>Comments</b> field, which is used to justify a posting's denial. Click <b>View Job Posting</b> to view the <a href="#">Job Detail</a> page for the job. Click <b>Cancel</b> to close the pop-up window.
<b>See All Records</b>	Go to the <a href="#">My Queue</a> page.

Read [Approve/Deny Workflow](#) to learn how to approve and deny job approval workflows.

## Interview Rating Queue

A list of job applicants who are in various stages of the interview process is displayed in the **Interview Rating Queue** section. You can perform your interview rating using the **Interview Rating Queue** page.

Field	Description
<b>View</b>	Displays the <a href="#">Applicant Detail</a> page.

Field	Description
<b>Applicant</b>	Displays the applicant's name.
<b>Position</b>	Provides the position that the applicant is applying for.
<b>Department</b>	Displays the department to which the department belongs.
<b>Progress</b>	Provides the applicant's progress within the application process.
<b>Average Rating</b>	Displays the applicant's average rating based on all who have the applicant in their interview workflow.
<b>History</b>	If you have rated an interview, the <b>History</b> button will appear next to the applicant under the <b>Interview Rating Queue</b> section. View a specific interview history. The <b>Interview Rating History</b> window will display showing the same columns as the <b>Interview Rating Queue</b> with the addition of the <b>Comments</b> field, which is used to justify a interview rating. Click View Applicant to view the <a href="#">Applicant Detail</a> page for the job. Click Cancel to close the pop-up window.
<b>See All Records</b>	Go to the <a href="#">Interview Rating Queue</a> page.

Read [Interview Rating Queue](#) to learn how to rate an applicant.

## Messages

Under **Unread Messages**, a list of unread messages is displayed. Select the message that you want to view or click **See All Records** to go to the [Messages](#) page.
