Administrative Guide ..... 1

# Administrative Guide

Welcome to CareerPortal, your organization's complete solution for managing the recruiting and hiring process.

CareerPortal provides an easy-to-use, lightweight employment system that allows you to recruit new employees, track applicants, easily manage settings, send messages, control work and interview flows, and much more.

The CareerPortal Administrative Guide provides a deep dive into CareerPortal's key administrative features using process orientated use-cases that illustrate how to perform administrative tasks within CareerPortal so that you can Bring in the Best™. Let's get started.

## Before You Begin

Before you get started, familiarize yourself with how to navigate and search CareerPortal.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## Quick Start

Below are the steps to get started quickly using CareerPortal. Below the checklist, you'll find links to all relevant sections for the Quick Start.

  - Click **No. Stay logged in.** to remain logged into CareerPortal.

### ◦ [Admin Login](#)

## Admin Login

The Admin Login page is used by CareerPortal administrators to log into a specific district, coop, or organization. You can access the Admin Login page from the [CareerPortal homepage](#) or the [Login](#) page.

**Note:** If you are an administrator you can only log in using the Admin Login page. Only Super Admins can log into multiple coops (districts).

## Access the Admin Login page

There are two ways to access the Admin Login page.

- Go to the bottom of the CareerPortal homepage. Click **Admin Login**.
- Click **Login** on the CareerPortal homepage. Click **Admin Login** at the bottom of the login page.

## Administratively log into CareerPortal

Field	Description
<b>UserName</b>	Type your user name.
<b>Password</b>	Type your password.
<b>District/Coop/Organization</b>	Select your district, coop, or organization from the drop-down menu. This option may vary.

Field	Description

<b>Always use Admin Login</b>	Select this if you only want to sign in as an admin. Using this option will only present the Admin Login page when logging in to CareerPortal.
<b>Login</b>	Your CareerPortal <a href="#">Dashboard</a> is displayed.

- [Explore the Dashboard](#)

## Dashboard

The Dashboard provides an all access view into your organization's applicant search and job posts while also providing a means to easily navigate within CareerPortal. The Dashboard is divided into four tiles (Current Posted Jobs, Applications, Applicant Watch, and Messages) and three sections (Posted Jobs Approval Queue, Interview Rating Queue, Unread Messages) that either take you to other CareerPortal pages, provide data from other CareerPortal pages, or allow you to perform administrative functions.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and search options on the page.

### Current Posted Jobs, Applications, Applicant Watch, and Messages tiles

The **Current Posted Jobs**, **Applications**, **Applicant Watch**, and **Messages** tiles are located at the top of the page.

Field	Description
<b>Current Posted Jobs</b>	The tile displays the number of jobs that you have posted. Click <b>VIEW MORE</b> to go to the <a href="#">Posted Jobs</a> page.
<b>Applications</b>	The tile displays the number of applications that have been submitted for jobs you have posted. Click <b>VIEW MORE</b> to go to the <a href="#">Search Applicants</a> page.
<b>Applicant Watch</b>	Click <b>VIEW MORE</b> to go to the <a href="#">Applicant Watch</a> page.
<b>Messages</b>	Click <b>VIEW MORE</b> to go to your <a href="#">Messages</a> page to view and respond to messages.

### Posted Jobs Approval Queue

The **Posted Jobs Approval Queue** allows you to view your job approval workflow. A job approval workflow is part of the job posting process where selected users approve or deny a job posting before it is made available to applicants. Job posts that need your approval are listed in a grid in this section. The actual job approval or denial is performed on the Job Detail page.

Field	Description
<b>View</b>	Opens the <a href="#">Job Detail</a> page.

Field	Description
<b>Position</b>	Displays the position title.
<b>Department</b>	Displays the department title.
<b>Status</b>	Provides the job's approval status. Pending Approval will remain the status until all approvers have approved the posting.
<b>Assigned</b>	Displays the user who the job post is assigned to.
<b>Date Created</b>	Displays the job posting creation date and time stamp.
<b>History</b>	<p>If you have approved or denied a job posting, the <b>History</b> button will appear next to the job under the <b>Posted Jobs Approval Queue</b> section. View a specific workflow history. The <b>Posted Job Approval History</b> window will display showing the same columns as the <b>Posted Jobs Approval Queue</b> with the addition of the <b>Comments</b> field, which is used to justify a posting's denial.</p> <p>Click <b>View Job Posting</b> to view the <a href="#">Job Detail</a> page for the job.</p> <p>Click <b>Cancel</b> to close the pop-up window.</p>
<b>See All Records</b>	Go to the <a href="#">My Queue</a> page.

Read [Approve/Deny Workflow](#) to learn how to approve and deny job approval workflows.

## Interview Rating Queue

A list of job applicants who are in various stages of the interview process is displayed in the [Interview Rating Queue](#) section. You can perform your interview rating using the **Interview Rating Queue** page.

Field	Description
<b>View</b>	Displays the <a href="#">Applicant Detail</a> page.
<b>Applicant</b>	Displays the applicant's name.
<b>Position</b>	Provides the position that the applicant is applying for.
<b>Department</b>	Displays the department to which the department belongs.
<b>Progress</b>	Provides the applicant's progress within the application process.
<b>Average Rating</b>	Displays the applicant's average rating based on all who have the applicant in their interview workflow.
<b>History</b>	<p>If you have rated an interview, the <b>History</b> button will appear next to the applicant under the <b>Interview Rating Queue</b> section. View a specific interview history. The <b>Interview Rating History</b> window will display showing the same columns as the <b>Interview Rating Queue</b> with the addition of the <b>Comments</b> field, which is used to justify a interview rating.</p> <p>Click <b>View Applicant</b> to view the <a href="#">Applicant Detail</a> page for the job.</p> <p>Click <b>Cancel</b> to close the pop-up window.</p>
<b>See All Records</b>	Go to the <a href="#">Interview Rating Queue</a> page.

Read [Interview Rating Queue](#) to learn how to rate an applicant.

## Messages

Under **Unread Messages**, a list of unread messages is displayed. Select the message that you want to view or click **See All Records** to go to the [Messages](#) page.

- Update Your Profile

- [Update Your Profile Settings](#)

## Profile Settings

The Profile Settings page allows you to edit or update your personal information. Your profile settings page was created when you first registered for a CareerPortal account. If an account was created for you, then review your profile settings information to make updates where necessary. You can view and update your profile settings at any time.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

### View and update your profile settings

You can edit the following fields at any time.

Field	Description
<b>First Name</b>	Edit your first name. You can also change your first name on individual applications, if needed.
<b>Last Name</b>	Edit your last name. You can also change your last name on individual applications, if needed.
<b>Select a Username</b>	Edit the user name that you use to sign into CareerPortal.
<b>Password</b>	Type a password.  Requirements: <ul style="list-style-type: none"><li>• 16-46 alphanumeric characters</li><li>• Three of the following: uppercase, lowercase, numeric, and special characters</li><li>• Case-sensitive</li></ul> <b>Note:</b> Leave this field and the <b>Confirm Password</b> field blank if you do not want to change your password.
<b>Confirm Password</b>	Retype the password.

### Contact Information

Field	Description
<b>Email Address</b>	Update your password if it is different from the one listed.
<b>Email Confirmation</b>	Send an email confirmation message to the email address typed into the <b>Email Address</b> field. The <a href="#">Email Confirmation</a> page is displayed indicating that a confirmation has been sent or that your email address has been confirmed.
<b>Primary Phone</b>	Type your primary phone number.
<b>Secondary Phone</b>	Type your secondary phone number.

### Account Recovery

Field	Description
<b>Security Question</b>	Type a hint question. This question will be used to reset your password should you forget it.
<b>Security Answer</b>	Type your hint question response.
Field	Description
<b>Save</b>	Save your work.
<b>Cancel</b>	Cancel and return to the previous page.

- [Update Your Profile Questions](#)

## Profile Questions

The Profile Questions page allows you to answer core job application questions. Your answers will act as a template when you apply for a job so that you do not have to re-type your answers to questions common to all applications. You can change your answers at any time by editing this page or by changing your answers when you apply for a job. Required fields are marked with a red asterisk.

### Notes:

- Profile questions will vary based on organizational standards. If you update your profile questions after you have started an application, your updated information will not be reflected on the application. Update your profile questions before beginning an application.
- The percentage of the questions answered is displayed at the top of the page as well as under **Profile Status** on the [Job Dashboard](#).

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## Change or add profile question information

- Update your personal and professional information where needed.
- Click **Submit** to save your profile questions and return to your [My Profile](#) page.

## Other functions and features

<b>Documents</b>	<a href="#">View or attach supporting documentation.</a>
------------------	--

- [Messages](#)

## Messages

The Messages page allows you to view your messages. Messages about job applications, the application process, and questions asked or answered are available on this page. Unread

messages are displayed by default. Your messages can be sorted at any time by clicking on a column's heading. You can also view and search your messages using the Search field. Your messages are also accessible from the Messages panel on your dashboard.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

## View and respond to messages

Your inbox displays all of your messages including sent responses and answered questions. Your inbox opens displaying all of your unread messages by default. Using your inbox is much like using an email program.

Column	Description
<b>View</b>	Read all posts within a message thread. View appears in red font for messages marked read.
<b>Position Name</b>	Displays the position that is the thread's topic.
<b>Original Poster</b>	Displays the original sender's name.
<b>Message</b>	Displays the message.
<b>Date &amp; Time Stamp</b>	Displays the message's timestamp.
<b>Responses</b>	Displays the number of individual messages (posts) that comprise a message thread.

## Using your inbox

Use the drop-down record menu under **Inbox** to select the number of messages to display.

Field	Description
<b>Unread</b>	View all of your unread messages.
<b>All</b>	View read and unread messages. The <b>View</b> button on read messages are gray while unread messages have a green <b>View</b> button.
<b>Muted</b>	View muted messages.

## Message Thread

Click **View** to open the message thread.

The Message Thread page is displayed. The subject of the message, timestamp, sender name, and message is displayed.

On the left, you have the following options:

Field	Description
<b>Return</b>	Return to the Messages page.
<b>Reply</b>	Reply to the message.
<b>Mute</b>	Click <b>X</b> to mark the message and all threads as muted. Muted messages are messages that you no longer wish to receive notifications on. Rather than deleting a message, CareerPortal allows you to mute it.

Field	Description
Read	Click <b>X</b> to mark the message as read. Click ✓ to mark a message as unread. Read messages can be viewed under <b>All</b> on the Messages page.

## Discover Admin Tools

CareerPortal can be easily configured to meet your organization's need. From creating job posts to managing dynamic content throughout the application, CareerPortal gives you the freedom and flexibility to make it your own.

The Admin Tools page is your landing page for all CareerPortal administrative tools. The Admin Tools page comprises links to all administrative tools.

Click Admin Tools on the sidebar to go to the Admin Tools page.

- [Core Questions](#)

### Core Questions

The Core Questions page allows you to add, edit, inactivate, and search core questions. Core questions can be customized to fit your organization's need and serve as a way to standardize questions that applicant's answer according to job position. To accomplish this, core questions are associated with [forms](#) that are [linked](#) to [job positions](#). Core questions also allow applicants to standardize the application process by pre-filling core questions on their [Profile Questions](#) page. A list of existing core questions is displayed in a grid on this page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## Miscellaneous Settings

- [Content Management](#)

## Content Management

CareerPortal allows you to change content using predefined content sections throughout the application. One edit is all that it takes to change all predefined content sections. Managing your content sections is facilitated using the Content Management page.

Content sections can be added to multiple pages. Each content section is identified by a Content ID that allows all pages with a particular Content ID to display the same information. All content section edits, deletions, or additions are made using the Content Management page.

At this time, the only content section available is on the homepage.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## View content sections

Field	Description
<b>Preview</b>	<i>With Changes</i> : Preview content as it appears in its edited state (what you are currently editing). <i>Current</i> : Preview content that is currently published. <i>With Previous Content</i> Preview content published before the current content.
<b>Content ID</b>	Displays the content ID.
<b>Content Name</b>	Displays the content name.
<b>Content Description</b>	Displays a description of the content.
<b>Publish</b>	Publish or revert your content additions and edits. <i>Publish Content</i> : Publish content that is currently in the editor. <b>Note</b> : Previously published content is saved and is accessible using the <i>With Previous Content</i> option in the <b>Preview</b> field.  <i>Rollback Content</i> : Restore previously published content. Content that is replaced by the revert is moved back into the editor.
<b>Edit</b>	Open the editor on the <a href="#">Edit Content Management</a> page.
<b>Display</b>	Enable or disable content sections. Click ✓ or ✗ to enable or disable a content section.

## Jobs

- [Post a Job](#)

### Post a Job

The Post A Job page uses the Post Job Wizard to walk you through the four-step job posting process. This page is divided into four sections that correspond with the job posting process. Click the links below to navigate to a particular step in the job posting process. Required fields are marked with a red asterisk \*).

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and search options on the page.

Contents
<a href="#">Step 1 - Position</a>
<a href="#">Step 2 - Requirements</a>
<a href="#">Step 3 - Add Questions</a>
<a href="#">Step 4 - Share</a>

### Step 1 - Position

Step 1 - Position allows you set job position parameters. All information available in the drop-down menus is created using the Departments and Job Positions pages. See [Departments](#) and [Job Positions](#) to add your job information if it is not available. Before proceeding, ensure that you are posting the job position to the correct district, coop, or organization. You can verify this by reading the statement beneath the **Public**, **Internal Only**, and **Hidden** buttons. The

statement reads: **This position will be posted for <District/Coop/Organization Name>.**

### Set position parameters

#### Enter the Position Name and Description

Field	Description	
Position	Click <b>[v]</b> to choose a position for this posting.  You may also start typing in the search box to narrow down your options.	
Department	Click <b>[v]</b> to choose a department for this posting.  You may also start typing in the search box to narrow down your options.	
Name/Headline	Type a job announcement headline.	
From and To Dates	Either type in the date or click in the field next to the calendar icon to open the calendar.	
Description	Type the job's description if one is not already available. You may also add or edit information in this field as needed.	
Open Positions	Indicate the number of available positions.	
Reference Number	Type the associated reference number. This field is optional.	
Job Visibility	Field	Description
	Public	This indicates that the job post is open to both internal and external candidates. <ul style="list-style-type: none"><li>Do not click this field if your job post is internal only.</li><li>Your job will be visible on the homepage under Recently Posted Jobs if made public.</li></ul>
	Internal Only	This indicates that the job post is only for internal candidates.
	Hidden	Hide the job post to all users.
Field	Description	
Continue	Proceed to Step 2 - Requirements.	

### Step 2 - Requirements

Step 2 - Requirements allows you to set job requirements for positions. Job requirements are created using the [Requirements](#) page. Job requirements are then linked to specific jobs using the [Job Requirements Link](#) page. Doing so allows you to set specific requirements to certain job positions. Use the Requirements page and the Job Requirements Link page to create the correct requirement to job associations.

#### Add or remove requirements

Two grids are presented under **Grouped Options - Available Requirements** and **Selected Requirements**. Available requirements display in the Available Requirements field. Requirements created using the Job Requirements Link page display under **Selected Requirements**.

Click on a requirement to move it between the fields.

Field	Description
<b>Continue</b>	Proceed to Step 3 - Add Questions.
<b>Back</b>	Return to Step 1 - Position.

### Step 3 - Add Questions

Step 3 - Add Questions allows you to assign [forms](#) (grouped core questions) as well as add job specific questions to the job posting. See [Core Questions](#) if you need to add or remove a core question.

#### Assign Forms

Field	Description
<b>Please utilize the menu below to assign / remove forms from this position.</b>	Select forms whose core questions should appear on the job application. Forms that are linked to job positions using the <a href="#">Position Form Link</a> page will display. Click the <b>X</b> to remove a selected job position. You can also press BACKSPACE.
<b>Assigned Forms List</b>	A list of assigned forms displays here.

#### Add references

#### References

Field	Description
<b>How many references are required?</b>	Select the number of references that are required from the applicants for this position.
<b>If references are requested please select</b>	Select the reference form that will be sent to references. See <a href="#">Reference Requests</a> for more information.

#### Add custom questions

Job specific questions can be added under **Review Current Questions**. By default, there are no questions in the grid.

Field	Description
<b>Add New Custom Question +</b>	The <a href="#">Add a Custom Question</a> window will open. Use the Add a Custom Question window to create custom questions.

#### Search and view custom questions

To see a grid of custom questions, click the **Custom Questions** bar under **Add New Custom Questions**.

Field	Description
<b>Group Heading</b>	Displays the group that the question belongs to.
<b>Question</b>	Displays the custom question.
<b>Type</b>	Displays the question's form element (text, drop-down, etc.).
<b>Data Label</b>	Displays the type of label used to identify the question.

## Edit or delete custom questions

Field	Description
<b>Edit</b>	<a href="#">Edit a question.</a> The Question Details window will open.
	<b>Save Question</b> Save your question.
	<b>Cancel</b> Cancel and return to the previous page.
<b>Delete</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page.
Field	Description
<b>Continue</b>	Proceed to Step 4 - Share.
<b>Back</b>	Return to Step 2 - Requirements.

## Step 4 - Share

Step 4 - Share allows you to set the job approval workflow, share the job posting with other stakeholders, and set the interview workflow. There are three tabs to set the job post's job approval workflow, sharing, and interview workflow. See [Job Approval Workflow](#) and [Interview Workflow](#) to add, edit or delete job approval workflow or interview workflow, respectively.

### Set the job approval workflow

Job approval workflow is set under the **Job Approval Workflow** tab. A job approval workflow is comprised of users who must review and approve of a job posting before it is visible to applicants.

Field	Description
<b>Select Job Workflow Approval</b>	Click <b>[v]</b> to select a job approval workflow.
<b>Adjust Users in Workflow</b>	<b>Available Users</b> Click a user name to move the user to the <b>Selected User</b> field.
	<b>Selected Users</b> Click a user name to remove the user from the job workflow.

### Set share privileges

The **Sharing** tab, allows you to set user privileges to edit, delete, or share the job posting by selecting **Edit**, **Delete**, or **View**. Available users are listed in a grid under the Sharing tab. Members of the Job Approval Workflow are automatically assigned view permissions.

**Note:** When an applicant clicks **Ask a Question** on the [Job Detail](#) page, the message is delivered to everyone with share privileges.

### Set or adjust the interview workflow

The **Interview Workflow** tab allows you to assign users to particular steps of the interview process. The order in which the steps (users) are listed indicates the interview workflow

sequence. You can add to or edit the interview workflow sequence as needed.

Field	Description
<b>Select Interview Workflow</b>	Click <b>[v]</b> to select an interview workflow. If the interview workflow choices do not fit the job posting or the organization's need, you can edit, add, or delete the workflow using the Interview Workflow page. You may also adjust an interview workflow under Adjust Interview Steps.

#### To adjust an interview's workflow steps

#### Add New Step

Field	Description
<b>Step Name</b>	Type the new step's name.
<b>Interviewer</b>	Select the interviewer.
<b>Add New Step</b>	Add a new step, which is added to the <b>Current Steps</b> grid.
<b>Λ</b>	Click to move the interview step up the grid.
<b>V</b>	Click to move the interview step down the grid.

#### Delete an interview workflow step

Field	Description
<b>Delete</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page.

#### Submit the job posting

When all steps are complete, you are now ready to post the new job. If you are ready to make the job public, make sure you have selected **Public** or **Internal Only** in the **Step 1 - Position**. This can always be changed by editing the job posting.

Select **Notify all applicants to resubmit the profiles with changes** to notify applicants who have already submitted applications to resubmit their application with the changes to the application.

Field	Description
<b>Submit</b>	Post the job. <ul style="list-style-type: none"> <li>◦ A message indicating that the job was successfully posted is displayed.</li> <li>◦ An email is sent to those who have access to the job posting.</li> </ul>
<b>Back</b>	Return to Step 3 - Add Questions.

- [Create an Interview Workflow](#)

#### Interview Workflow

The Interview Workflow page allows you to define an interview progression (workflow) for

interviewing applicants. An interview workflow is assigned to a job posting based on the type of job posting. Interview workflow steps and their order within the workflow are defined using the Add/Edit Interview Workflow page. A list of available interview workflows is displayed in a grid on this page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

Field	Description
<b>Add New + or Edit</b>	Create or edit an interview workflow. The <a href="#">Add/Edit Interview Workflow</a> page will open.
<b>Name</b>	Displays interview workflow names.

<b>Create Date</b>	Displays the date and time the job approval workflow was created.
<b>Delete</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page.

- [Add Reference Requests](#)
- [Approve or Deny a Job Post](#)

## Approve/Deny Workflow

This page serves as a guide for approving and denying job posts in your posted jobs approval workflow queue. Your posted jobs approval workflow queue is accessible from your CareerPortal [Dashboard](#). The actual job approval or denial is performed on the [Job Detail](#) page.

### Approve a job posting

You can approve a new job posting on the Job Detail page.

Field	Description
<b>Posted Jobs Approval Queue</b>	In this section on the Dashboard, find the job approval workflow that you want to review and approve.
<b>View</b>	Display the <a href="#">Job Detail</a> page.
Field	Description
<b>Select Status</b>	Click <b>[v]</b> to select <i>Approved</i> .
<b>Update Status</b>	A confirmation window will open. <b>OK:</b> Approve the job and close the confirmation window. You are returned to the Job Detail page. An approval date and time stamp will appear. <b>GO BACK:</b> Return to your Dashboard without approving the job.

The job will continue through the job approval workflow until complete.

### Deny a job posting

You can deny a new job posting on the Job Detail page.

Field	Description
<b>Posted Jobs Approval Queue</b>	In this section on the Dashboard, find the job approval workflow that you want to review and deny.
<b>View</b>	Display the <a href="#">Job Detail</a> page.
Field	Description
<b>Select Status</b>	Click <b>[v]</b> to select <i>Denied</i> .
<b>Enter Comments</b>	This field appears when <i>Denied</i> is selected. Type a reason for denying the job posting.
<b>Update Status</b>	A confirmation window will open. <b>OK:</b> Deny the job position and close the confirmation window. A denial date and time stamp will appear. <b>GO BACK:</b> Return to your Dashboard without denying the job.

The job will continue through the job approval workflow until complete.

### Resubmit a job posting

When a job posting is denied, the **Resubmit** button appears allowing you to resubmit the job to the approval queue with your comments. The administrator who created the job can make any necessary changes at this point. When a job post is resubmitted, it must go through the entire job approval workflow again.

Field	Description
<b>Resubmit</b>	Return the job posting to the posted jobs approval queue.

- [View, Edit, and Delete Posted and Shared Jobs](#)

## Posted Jobs

The Posted Jobs page allows you to view, edit, and delete posted jobs. Only jobs that you have [posted](#) or jobs that have been [shared](#) with you are available on this page. All posted jobs are displayed in a grid on this page.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

**Note:** Members of the Super Admin group will see all posted jobs.

### View and search posted jobs

Column	Description
<b>Find Applicants link</b>	Navigate to the <a href="#">Search Applicants</a> page where you can view applicants for a specific position. (Only visible if you have created a job or have had one shared with you.)
<b>ID-Visibility</b>	Displays the job ID and its visibility status (see <a href="#">Step 1 - Position on the Post a Job</a> page).
<b>Coop</b>	Displays the coop that the job is posted under. Super Admins can view all posted jobs for the coops they administer.
<b>Position</b>	Displays the job position title.
<b>Department</b>	Displays the department associated with a posted job.
<b>Posted</b>	Displays the date the job was posted.
<b>Deadline</b>	Displays the deadline for applying for a job.

<b>Edit button</b>	Edit a job post using the <a href="#">Post Job Wizard</a> . (Only visible if you have created a job or have had one shared with you.)
<b>Delete button</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page. (Only visible if you have created a job or have had one shared with you.)

- [Save Your Job Searches](#) You can save your job searches with the **Save Search** button on the [Search Jobs](#) page.

Your job searches can be saved for later viewing. A saved search saves the search parameters used to create the search. Your searches are saved to the [Saved Searches](#) page. You set search parameters by using the grid's [search](#) fields, the [drop-down menus](#) or the [Search](#) field.

Field	Description
<b>Save Search</b>	The <a href="#">Save Search</a> window will open.

## Applicants

- [Search Applicants](#)

### Search Applicants

The Search Applicants page allows you to view, search for, and save applicants who have applied for jobs. A corresponding list of applicants and jobs is displayed in a grid on this page. There are three ways to access this page within CareerPortal.

- Click on the **Search Applicants** sidebar tab.
- Click **View** on the [Applicant Watch](#) page.
- Click **View Applicants** on the [Posted Jobs](#) page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

### Search and view applicants

Search and view applicants based on your search criteria.

Field	Description
<b>Please utilize the following drop-down menu to switch between different forms:</b>	Switch between different forms to search for applicants by <a href="#">form</a> .
<b>Change Columns</b>	Select the columns you want to display in the grid. The columns that are available are either core questions (when viewing all positions) or a combination of core questions and <a href="#">custom questions</a> (when viewing a specific position).
<b>View</b>	Display the <a href="#">Applicant Detail</a> page. The Applicant Detail page provides applicant information in relation to a particular job. The Applicant Detail page is used for rating an applicant as well as hiring an applicant. <b>Note:</b> Select <b>User Profile</b> in the <b>Position</b> field to see all users, including those who have not applied for a job.

### Save your searches

Your searches can be saved for later viewing. A saved search saves the search parameters used to create the search.

Field	Description
<b>Search</b>	Type your <a href="#">search</a> term or filter your search parameters using the <a href="#">search boxes</a> or <a href="#">drop-down menus</a> in each column.
<b>Save Search</b>	Save your search. The <a href="#">Applicant Search - Save</a> window will open.

#### Other functions and features

<b>Documents</b>	<a href="#">View or attach supporting documentation.</a>

<b>ID</b>	Displays the saved search ID created when the search was saved.
<b>Saved Search Name</b>	Displays the saved search name. This is the name you typed into the <b>Please provide a search name</b> field when you saved your search on the Search Applicants page.
<b>Date-Time Created / Last Updated</b>	Displays the date and time your saved search was created.
<b>Delete</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page.

- [Rate an Applicant Interview](#)

### Interview Rating Queue

The Interview Rating Queue page is an important component in the interview process. On this page, you can rate applicants during the varying stages of the interview process as well as view an applicant's interview rating history. The information on this page is controlled by the [Interview Workflow](#) page as well as the Adjust Interview Steps field under the Interview Workflow tab when you [post a job \(Step 4 - Share\)](#).

This page is divided into two sections: **Interview Rating Queue** and **Interview Rating History**. All applicant's in your interview workflow are displayed in grids on this page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

### View and access the Interview Rating Queue

You can access your interview rating queue from your CareerPortal [dashboard](#) under **Interview Rating Queue**.

Field	Description
<b>See All Records</b>	Navigate to the <a href="#">Interview Rating Queue</a> page.

### Interview Rating Queue

The **Interview Rating Queue** section is where you will rate individual applicants' ability to successfully fill a position within your organization.

Field	Description
<b>Applicant</b>	Displays the applicant's name.
<b>Position</b>	Provides the position that the applicant is applying for.
<b>Department</b>	Displays the department to which the department belongs.
<b>Progress</b>	Provides the applicant's progress within the application process.
<b>Average Rating</b>	Displays the applicant's average rating based on all who have the applicant in their interview workflow.

### Rate an applicant

You can access the [Applicant Detail](#) page to rate an applicant from your [dashboard](#) under the **Interview Rating Queue** section. When you are finished rating an applicant, the applicant is removed from your interview rating queue.

Field	Description
<b>See All Records</b>	Go to the <a href="#">Interview Rating Queue</a> page.
<b>View</b>	Go to the <a href="#">Applicant Detail</a> page and rate the applicant. <b>Stars:</b> Select the number of stars that you want to give to the client. <b>Enter Comments:</b> Type relevant comments. <b>Save Rating:</b> Save your rating.
<b>Go Back</b>	Return to the dashboard.

### Interview Rating History

The **Interview Rating History** section is where you can view applicants who are no longer active in your interview rating queue. The interview rating history section is useful as you can review your rating of past applicants to assist in the current interview rating. When you are finished rating an applicant, the applicant is moved to your interview rating history (the section will appear after you rate your first applicant).

Field	Description
<b>Applicant</b>	Displays the applicant's name.
<b>Position</b>	Provides the position that the applicant is applying for.
<b>Department</b>	Displays the department to which the department belongs.
<b>My Ratings</b>	Provides your individual applicant rating.
<b>My Comments</b>	Displays your comments and observations on an applicant.
<b>Date Rated</b>	Provides the date that you rated an applicant.
<b>Progress</b>	Provides the applicant's progress within the application process.
<b>Average Rating</b>	Displays the applicant's average rating based on all who have the applicant in their interview workflow.

#### View an applicant's interview rating history

Field	Description
<b>History</b>	The Interview Rating History window will open. <b>View Applicant:</b> Go to the <a href="#">Applicant Detail</a> page. <b>Cancel:</b> Cancel and return to the previous page.
<b>See All Records</b>	Navigate to the <a href="#">Interview Rating Queue</a> page.

- [Hire an Applicant](#)

Once the applicant has completed the interview process and has been rated, the **Hire Applicant** button is displayed on their [Applicant Detail](#) page. Clicking the button marks the applicant as hired in the database and your Human Resources process can begin.

- [Search Hired Applicants](#)

#### Search Hired

The Search Hired page allows you to search and view applicants who have been hired. A list of hired applicants is displayed in a grid on this page.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and search options on the page.

#### Search and view hired applicants

Field	Description
<b>Please utilize the following drop-down menu to switch between different forms:</b>	Switch between different forms to search for applicants by <a href="#">form</a> .
<b>Change Columns</b>	Select the columns you want to display in the grid.

Field	Description
View	Display the <a href="#">Applicant Detail</a> page. The Applicant Detail page provides applicant information in relation to the job that the applicant was hired for.
