  - Click **No. Stay logged in.** to remain logged into CareerPortal.

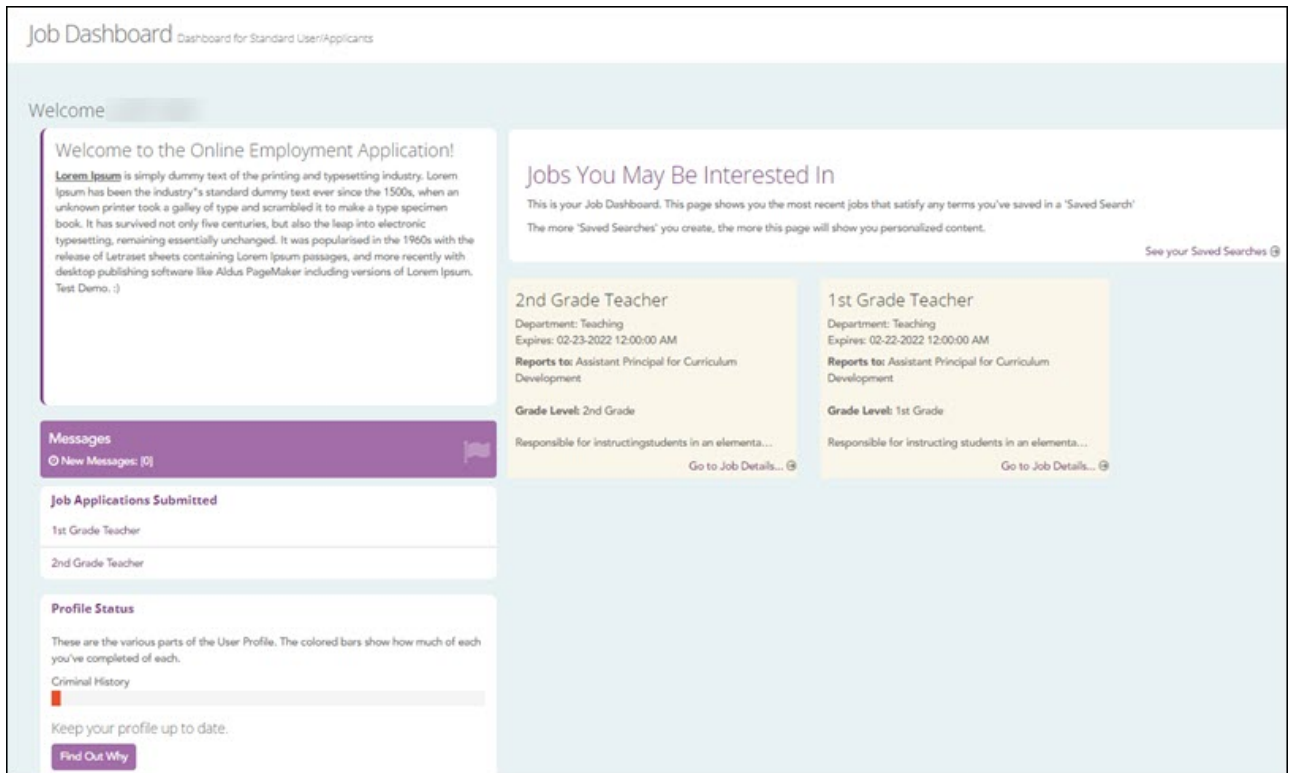

### 3. [Explore the Job Dashboard](#)

#### Job Dashboard

CareerPortal's Job Dashboard provides an all-in-one experience for your job search and application process. The Job Dashboard makes it easy to view your saved search results, access your messages, and view jobs that you have applied for.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and search options on the page.

Your Job Dashboard is divided into several sections for quick access to important information.

## Messages

The tile displays the number of new messages in your [inbox](#). Click **Messages** to go to your inbox.

## Job Applications Submitted

The tile displays a list of all of the jobs that you have applied for.

## Profile Status

Three categories are listed:

- Contact Information
- Criminal History
- Availability.

The colored bars depict the percentage of the questions you have completed on the [Profile Questions](#) page.

Click the **Find Out Why** button to review why it's important to keep your profile up to date.

## Jobs You May Be Interested In

This section displays job posts related to keywords in your [saved searches](#). If there are less than

nine jobs that are relevant to your searches, the most recently posted jobs are displayed.

Click the job post's title, or click **Go to Job Details** to view the [Job Detail](#) page.

#### 4. Update Your Profile

##### 1. [Update Your Profile Settings](#)

### Profile Settings

The Profile Settings page allows you to edit or update your personal information. Your profile settings page was created when you first registered for a CareerPortal account. If an account was created for you, then review your profile settings information to make updates where necessary. You can view and update your profile settings at any time.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

### View and update your profile settings

You can edit the following fields at any time.

Field	Description
<b>First Name</b>	Edit your first name. You can also change your first name on individual applications, if needed.
<b>Last Name</b>	Edit your last name. You can also change your last name on individual applications, if needed.
<b>Select a Username</b>	Edit the user name that you use to sign into CareerPortal.
<b>Password</b>	Type your password. Requirements: Between 16 and 46 characters. Must include at least one of each of the following character types: <ul style="list-style-type: none"><li>■ Uppercase letters (A-Z)</li><li>■ Lowercase letters (a-z)</li><li>■ Numbers (0-9)</li><li>■ At least one allowed special character</li></ul> Forbidden characters: space, !, ?, *, &, ^ <b>Note:</b> Leave this field and the <b>Confirm Password</b> field blank if you do not want to change your password.

<b>Save</b>	Save your work.
<b>Cancel</b>	Cancel and return to the previous page.

2. [Update Your Profile Questions](#)

**Profile Questions**

The Profile Questions page allows you to answer core job application questions. Your answers will act as a template when you apply for a job so that you do not have to re-type your answers to questions common to all applications. You can change your answers at any time by editing this page or by changing your answers when you apply for a job. Required fields are marked with a red asterisk.

**Notes:**

- Profile questions will vary based on organizational standards. If you update your profile questions after you have started an application, your updated information will not be reflected on the application. Update your profile questions before beginning an application.
- The percentage of the questions answered is displayed at the top of the page as well as under **Profile Status** on the [Job Dashboard](#).

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

# Apply for a Job

## 1. [Search and Save Jobs](#)

### Search Jobs

The Search Jobs page allows you to view and search for jobs. Available jobs are listed in a grid on this page. By default, all CareerPortal jobs are viewable. You can filter your search to search for specific criteria. You can also save your searches for later viewing.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and search options on the page.

#### Columns on the Search Jobs page

Column	Description
<b>View</b>	View the job on the <a href="#">Job Detail</a> page.
<b>District (Co-op)</b>	Displays the co-op that the job position is posted for.
<b>Position Type</b>	Displays the job's department (e.g. teacher, administrator).
<b>Description / Description</b>	Displays the job summary and other key job information.
<b>Days Left to Apply</b>	Displays the number of days left to apply.

#### Filter your job searches

You can filter your job search results using the [Search](#) field or the [search boxes](#) and [drop-down menus](#) located within each column.

If you need greater control, you can fine-tune your job search results using one or more of the search boxes and drop-down menus located within each column.

#### Save your job searches

Your job searches can be saved for later viewing. A saved search saves the search parameters used to create the search. Your searches are saved to the [Saved Searches](#) page. You set search parameters by using the grid's [search](#) fields, the [drop-down menus](#) or the [Search](#) field.

Field	Description
<b>Save Search</b>	The <a href="#">Save Search</a> window will open.

## 2. [View your Saved Job Searches](#)

## Saved Job Searches

The Saved Jobs Searches page allows you to save job search parameters and view previously saved searches. All saved job searches are displayed in a grid on this page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

### View and search saved searches

Field	Description
<b>View</b>	Navigate to <a href="#">Search Jobs</a> and see updated job posts using your saved search parameter.
<b>ID</b>	Displays the saved search ID.
<b>Saved Search Name</b>	Displays the search name used when you saved it.
<b>Date-Time Created / Last Updated</b>	Displays the date and time the search was saved.
<b>Delete</b>	Delete the row. A confirmation message is displayed prompting you to continue. <b>OK:</b> Delete the row. <b>Cancel:</b> Cancel and return to the previous page.

The search parameter saved to this page will also display your search results in your CareerPortal [Job Dashboard](#).

### 3. [View and Respond to Your Messages](#)

## Messages

The Messages page allows you to view your messages. Messages about job applications, the application process, and questions asked or answered are available on this page. Unread messages are displayed by default. Your messages can be sorted at any time by clicking on a column's heading. You can also view and search your messages using the Search field. Your messages are also accessible from the Messages panel on your dashboard.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

### View and respond to messages

Your inbox displays all of your messages including sent responses and answered questions. Your inbox opens displaying all of your unread messages by default. Using your inbox is much like using an email program.

Column	Description
<b>View</b>	Read all posts within a message thread. View appears in red font for messages marked read.
<b>Position Name</b>	Displays the position that is the thread's topic.
<b>Original Poster</b>	Displays the original sender's name.
<b>Message</b>	Displays the message.
<b>Date &amp; Time Stamp</b>	Displays the message's timestamp.
<b>Responses</b>	Displays the number of individual messages (posts) that comprise a message thread.

### Using your inbox

Use the drop-down record menu under **Inbox** to select the number of messages to display.

Field	Description
<b>Unread</b>	View all of your unread messages.
<b>All</b>	View read and unread messages. The <b>View</b> button on read messages are gray while unread messages have a green <b>View</b> button.
<b>Muted</b>	View muted messages.

### Message Thread

Click **View** to open the message thread.

The Message Thread page is displayed. The subject of the message, timestamp, sender name, and message is displayed.

On the left, you have the following options:

Field	Description
<b>Return</b>	Return to the Messages page.
<b>Reply</b>	Reply to the message.
<b>Mute</b>	Click <b>X</b> to mark the message and all threads as muted. Muted messages are messages that you no longer wish to receive notifications on. Rather than deleting a message, CareerPortal allows you to mute it.
<b>Read</b>	Click <b>X</b> to mark the message as read. Click <b>✓</b> to mark a message as unread. Read messages can be viewed under <b>All</b> on the Messages page.

## 4. [Apply for a Job](#)

### Apply for a Job

The Apply for the Job page walks you through the job application process. There are two expandable sections on this page: Position Details and Application. The Application section is expanded by default. You can open and close each expandable section by clicking on its title. Required fields are marked with a red asterisk (\*).

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and search options on the page.

### Position Details and Application sections

The **Position Details** section provides the [job detail](#) information for you to review. You can expand the job detail information by clicking **Position Details**.

The **Application** section is where you will apply for the job. The information asked by an employer may vary according to need, job type, and the organization. In addition to your contact information, you may be asked for references, a resume, questions specific to the organization or job position, etc.

### Apply for a job

Field	Description
<b>Next</b>	Click to move to the next section.
<b>Previous</b>	Click to move back to the previous section.
<b>Submit</b>	Submit your application. Your application is submitted at this point so make sure you have completed everything.

Jobs that you have applied for are available under **Job Applications Submitted** on your [job dashboard](#).
