Add/Edit Configuration Settings 1

Add/Edit Configuration Settings

Create or edit a client configuration setting.

Field	Description
Name	Type or edit the name of the client configuration setting.
Value	Type or edit the value for the client configuration setting. The value here depends on the type of setting you are creating or editing.
Description	Type or edit the description of the client configuration setting.
Save	Save the setting.
Cancel	Cancel and return to the Configuration Settings page.
