Coop Settings

This page's title and its tiled link on the Admin Tools page will dynamically change to the value typed in the CoopLabel field located on the Configuration Settings page.

The Coop Settings page allows you to manage multiple coops. A list of current districts is displayed in a grid on this page. Columns can be sorted at any time by clicking on a column's heading. You can also search for a district using the Search field.

Basic Navigation See Navigation and Search for more information about basic navigation and search options on the page.
