# Core Questions

The Core Questions page allows you to add, edit, inactivate, and search core questions. Core questions can be customized to fit your organization's need and serve as a way to standardize questions that applicant's answer according to job position. To accomplish this, core questions are associated with [forms](#) that are [linked](#) to [job positions](#). Core questions also allow applicants to standardize the application process by pre-filling core questions on their [Profile Questions](#) page. A list of existing core questions is displayed in a grid on this page.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

[Return to Admin Tools](#) You can return to the [Admin Tools](#) page at any time by clicking **Admin Tools**.

[Records](#) Click **Records** to select the number of records to display.

## Add or edit core questions
